

Invitation to an Informative Session on the International Business Concierge (IBC) Platform

Dear Esteemed Partners in the United Kingdom,

Greetings.

On behalf of the Federation of Saudi Chambers (FSC), we are pleased to invite your esteemed business council to an informative session introducing the **International Business Concierge (IBC)** platform — the Federation's single-window digital gateway supporting international companies and business councils in exploring investment opportunities and establishing, complying with, and operating within the Kingdom of Saudi Arabia.

This session aims to familiarize business council representatives with the platform's capabilities and the value it offers to your members, and to gather your feedback as we continue to expand its reach among the international business community.
